Convoy for ambassador bridge has arrived and moved to an undisclosed location for the night but they have asked that we get as many people as possible to meet in comber between 9-10am, roll out at 10am. They will lead the pack. When you see them coming, jump in line behind. Keep your eyes open for trucks, farmers and 4wheelers. They are only going to the bridge, tunnel will be left open for emergencies and emergency vehicles. Please spread the word, lets get the over passes full and cars rolling tomorrow am ❤️ seeya there. 🇨🇦

Sir,

I don't want to inundate you with the intelligence we are gathering. We are slowly getting information in relation to meeting spots discussed in the Telegram Chat group. This chat could go into the late hours of the evening, and I recognize that you must have a lot on your plate.

Is there someone I can connect with, perhaps an intelligence officer who I can pass this information to?

Respectfully,

Sir McDonell,

Well, another weekend gone my friend. We have had a busy weekend here in the Rose City…. We have the local OPP keeping us updated on any large contingent of trucks coming our way on the 401. I just received information that we can expect at least 100 semi's heading our way from Ottawa tonight. If you receive any related info or any intel from anywhere up your way, please don't hesitate.

Thanks Mike, and have a great night.
